night office

1-2 Paris Garden

Evenings and weekends on the South Bank.

SOUTHWARK · SE1 8ND

A Night Office venue for hackathons, demo days and community nights.

AT A GLANCE

London’s battle tested hackathon venue

Five minutes’ walk from Blackfriars and Southwark tube stations. A basement main room that seats 80 for talks, demos and judging, two breakout rooms off it, and a ground floor with a kitchen and seating for the part of the night where everyone stays and talks. Night Office staff run every event: doors, deliveries, AV and the clear-down.

80

THE GROUND FLOOR · STREET LEVEL

The ground floor.

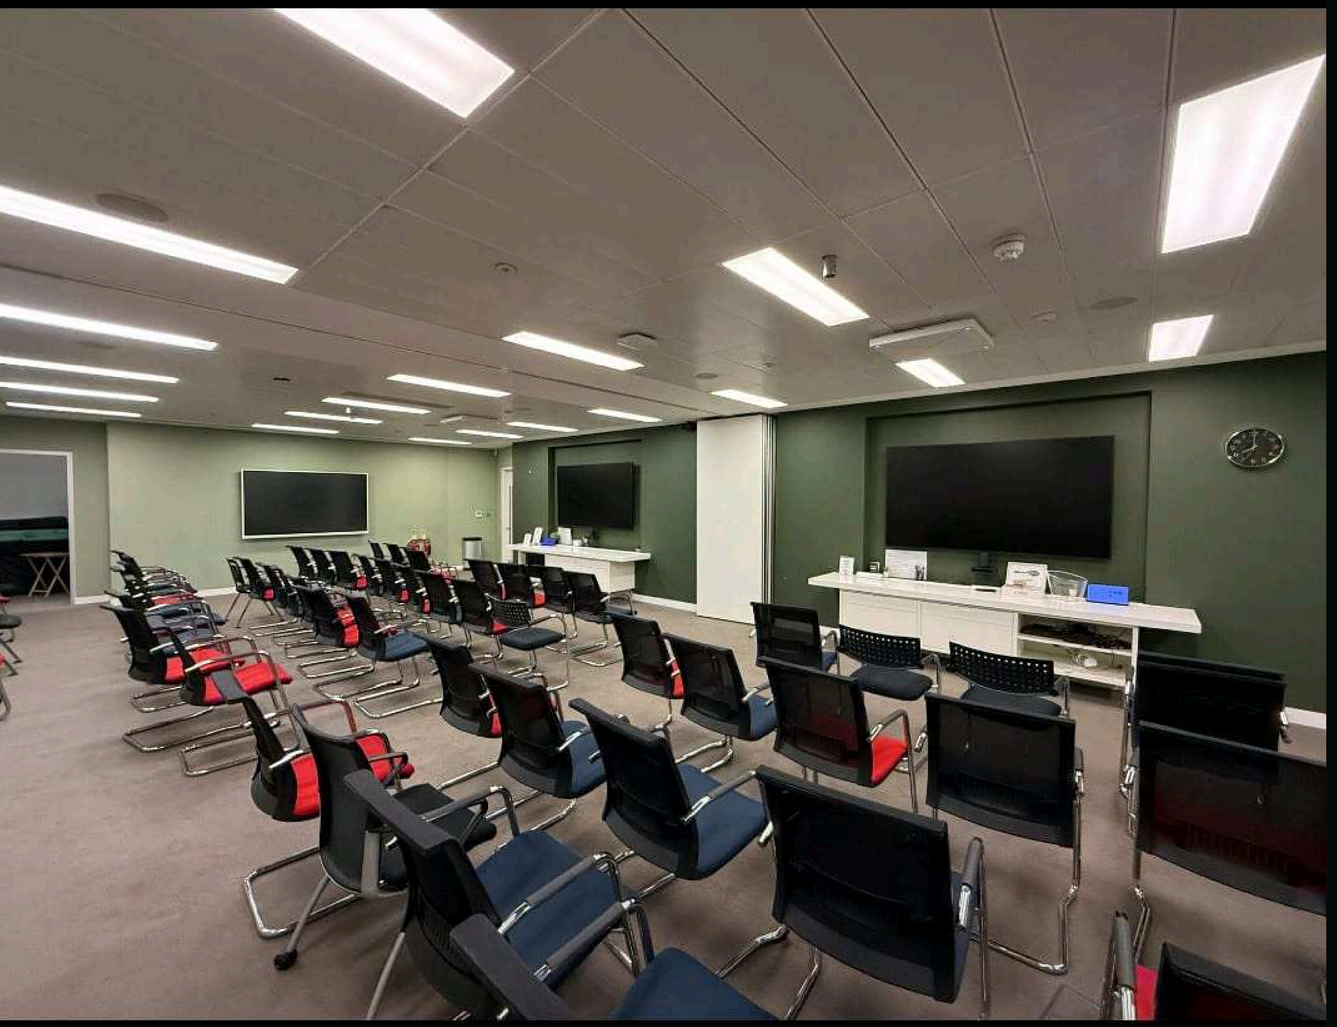

The coworking floor. A kitchen, open-plan seating, a lounge and a games room, with natural light from Paris Garden. Up to 50 standing on its own. With the basement, it is where food is served and where teams spread out between sessions.

Up to 50 standing	On its own, for a talk or a build night
Kitchen	Fridge, kettle and coffee
Open-plan seating	Sofas, tables and booths
Natural light	Windows onto Paris Garden

THE BASEMENT · LOWER GROUND

The basement.

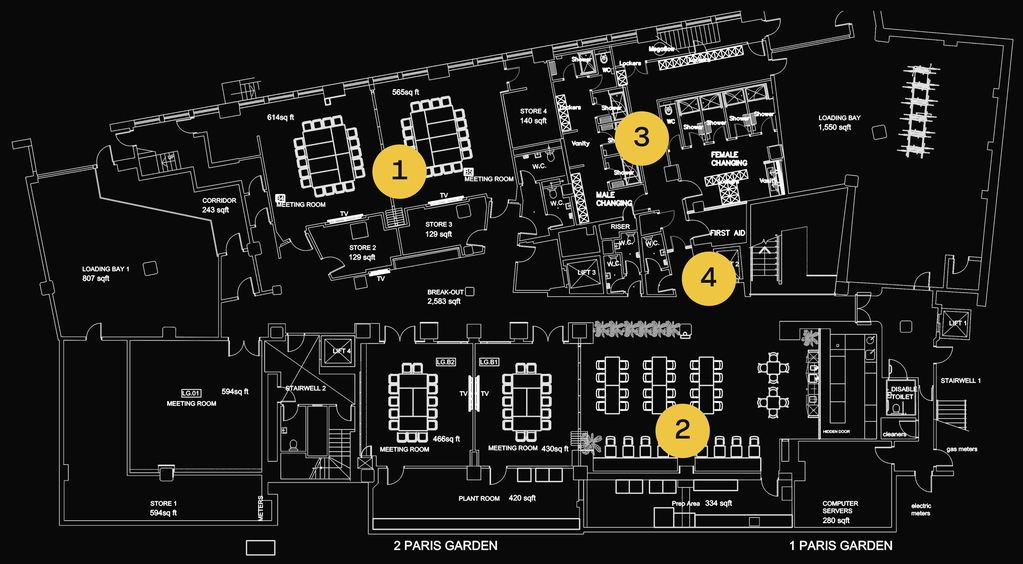

The basement is where the work happens. B4 and B5 open into one room that seats 80, with dual large screens, a PA with handheld mics and wireless mirroring or HDMI from any laptop. The presentation setup is included and ready for Zoom and Teams, so demo day runs from the same room the teams built in. B1 and B2 open off the break-out area for judging, mentors and quiet calls, each with its own screen and video conferencing, and there is power for laptops at the tables.

Dual large screens	Wireless mirroring or HDMI from any laptop
PA and handheld mics	Included with the room
Video calls	Zoom and Teams in every room, for hybrid talks and remote judges
Breakout rooms	B1 and B2, off the break-out area
Power at the tables	For laptops, across the floor
Capacity	80 seated in B4 + B5; 150 across both floors

A WEEKEND HERE

A weekend at Paris Garden.

SATURDAY 9AM – 5PM · WEEKEND DAY

Doors and build day

Registration on the ground floor, opening talks in the basement, then heads-down. Night Office staff are on site before doors to take deliveries and hand over the AV. Breakfast and lunch land on the ground floor; mentors take the breakout rooms.

SATURDAY 5PM – SUNDAY 9AM · OVERNIGHT

The building stays open

A security guard is on site through the night. Showers are on the lower ground floor.

SUNDAY 9AM – 5PM · WEEKEND DAY

Demos and judging

Judges in the judging room, demos on the dual screens, the social upstairs. Clear-down and cleaning are handled by Night Office.

One member of Night Office staff is on site for every fifty people, from set-up to tear-down.

WHAT ORGANISERS SAY

> The presentation space was superb: dual large screens, seamless mirroring and Zoom integration. Zero technical glitches for any of the teams.

Lawrence
Founder, Looking for Growth

> We held our hackathon here and were really impressed. Easy to reach, beautifully maintained, and the Night Office host made the whole thing run smoothly. We would wholeheartedly recommend it for hackathons.
